4.20 QWEST TOTAL ADVANTAGE EXPRESS SERVICE (Cont'd)

D. Long Distance Block of Minutes Offering

This long distance offering provides a block of free minutes and is provisioned in conjunction with the interstate long distance offering under which the Company provides interstate long distance service. This intrastate service is an add-on to the interstate service that includes monthly recurring charges, and is available where billing and technical capability exists. All other terms, conditions and customer eligibility are specified in the QCC Interstate Rates and Services Schedule #3.

The Company will charge Customers for any usage in excess of the block minutes (overage minutes). The overage minute's rate applies for each minute of each call per month in excess of 2,500 minutes of use. Block minutes that have not been used at the end of the Customer's billing cycle will not carry over to the next month.

This offer is only available to business customers subscribing to retail local exchange service from an affiliate of the Company that provides local service, and, requires provisioning of interstate/interLATA, intrastate/interLATA and intrastate/intraLATA service. Local services will be billed by the affiliate company, long distance charges will be billed separately by CenturyLink QCC. The following qualifying products and services are required for this offer:

- CenturyLink ISDN PRS under an Express Agreement.

If customer's local service is terminated either by the customer or the Company, the customer's long distance service will be converted to the Total Advantage Express Voice rates.
